What happens next and how long will it take?

We endeavour to respond fully and conclusively to all complaints within ten working days. However, you will receive an acknowledgement of your complaint within the first 5 days of receipt. Wherever possible we will deal with it more quickly, if we think it will take longer we will let you know.

You can contact us in whichever way is most convenient to you and we will respond to you via the same method unless instructed otherwise.

In more complex situations where an immediate response is not possible, we will investigate the matter and get back to you as quickly as we can. We will record your complaint and between us we can agree on the best way and time to get back in contact with you.

In all cases a complaint will be given full and fair consideration.
What we will do on receiving your complaint

- We’ll listen, record your complaint and advise you how it will be handled.
- We’ll investigate whenever necessary.
- We’ll take action to resolve the problem and tell you what that action is
- We’ll take steps to avoid a repeat occurrence.

At all times we will treat you with understanding and respect. All we ask is that you do the same for our staff.

Confidential information in relation to your complaint will be handled sensitively.

We are not able to respond to anonymous complaints or matters for which the Charity is not directly responsible.

CURE International UK is committed to the highest standards in fundraising practice.

If you feel your complaint has not been thoroughly resolved by our Complaints Officer, you may escalate your complaint in writing to CURE International UK’s Chief Executive, Hélène Frost.

If your complaint is to do with fundraising and you feel that it has been unresolved by us then the Fundraising Regulator can investigate your complaint.

You must contact them within two months of receiving your response from us.

Contact can be made via the online complaints form here or via telephone: 0300 999 3404
