

Impact Report

2020

2020

Nanga received life-changing surgery
at our CURE Zambia hospital.

Our Mission:

Heal the sick and proclaim the kingdom of God

Jesus sought out the broken and marginalised, and He healed them. He invited us to join in this mission. By providing life-changing medical and spiritual care, we share God's love with patients, their families, and the communities we serve.

With your support, CURE has ministered to the needs of patients and families through more than 78,000 patient visits and 10,000 procedures at our charitable hospitals around the world. We have shared the gospel with more than 78,400 people and witnessed more than 13,400 expressions of faith in Jesus Christ.

CURE Ethiopia

YOUR IMPACT

FY20

1,891 people reached & 385 faith expressions

9,456 patient visits & 2,769 procedures

200 ministry partners from 14 churches
